

SUSTAINABLE GLOBAL CAPITAL ANNUAL SUMMIT 2024

European Union and its Neighbors:

Reflecting on the current state of regionalism and multilateralism and its impact on energy, financial markets and capital flows

4 September, 2024

VIRTUAL CONFERENCE | ENGLISH

Join us on September 4, 2024, for a comprehensive virtual conference that delves into the intricate dynamics between the European Union and its neighboring regions. This event will explore the EU's influence as a pivotal player in international energy markets, financial systems, and capital flows, highlighting the current state of regionalism and multilateralism. Participants will gain insights into the growth of the EU, its integration with neighboring markets, and the collaborative opportunities that lie ahead.
